MEMORANDUM

TO: Parents of Willow Hill Elementary School Students
DATE: October 8, 2024
RE: ADVANCE NOTICE OF PESTICIDE TREATMENT

ADVANCE NOTICE OF PESTICIDE TREATMENT

Attention: This facility utilizes an Integrated Pest Management Program for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that a pesticide is expected to be applied to control Poison Ivy.

The approximate location of this pest control treatment is Willow Hill Elementary School, around the lower playground fence line, and grassy areas, excluding the playground mulched areas.

The anticipated date of treatment will be Thursday, October 10, 2024.

If you have questions pertaining to this treatment, please contact:

Name: RaeAnn Fiebing
Phone: 231-933-1941
